STATEMENT OF GENERAL POLICY	RESPONSIBILITY OF: Name/Title	ACTION/ARRANGEMENTS
To prevent accidents and cases of work-related ill health and provide adequate control of health and safety risks arising from work activities.	M.Rana Managing Director	Relevant risk assessments completed and actions arising out of those assessments implemented. (Risk assessments reviewed every year, or earlier if working habits or conditions change.)
To provide adequate training to ensure employees are competent to do their work.	M.Rana Managing Director	Staff and subcontractors given necessary health and safety induction and provided with appropriate training (including working at height, asbestos awareness and electrical safety) and personal protective equipment. We will ensure that suitable arrangements are in place to cover employees engaged in work remote from the main company site.
To engage and consult with employees on day-to-day health and safety conditions and provide advice and supervision on occupational health.	M.Rana Managing Director	Staff routinely consulted on health and safety matters as they arise but also formally consulted at regular health and safety performance review meetings or sooner if required.
To implement emergency procedures – evacuation in case of fire or other significant incident.	M.Rana Managing Director	Escape routes well signed and kept clear at all times. Evacuation plans are tested from time to time and updated as necessary.
To maintain safe and healthy working conditions, provide and maintain plant, equipment and machinery, and ensure safe storage/use of substances.	M.Rana Managing Director	Toilets, washing facilities and drinking water provided. System in place for routine inspections and testing of equipment and machinery and for ensuring that action is promptly taken to address any defects.
